Silver Jubilee
Magazine
2020

The popular Chinese proverb goes... "If you are planning for a year, sow rice; for a decade, plant trees; and for life time, educate people." This sums up the entire philosophy of the life and times of Dr. K.C.G. Verghese, a visionary and iconic personality who achieved success in his earnest effort to build the edifice of the Hindustan Group of Institutions, thereby fulfilling his sole dream, passion and vision. Today, the institutions offer quality education to thousands of students from across the globe. Dr. K.C.G. Verghese in his autobiography, "Wheels and Wings" says that Eternal enthusiasm, perseverance, long-range vision and live-networking were four important features of his work-culture. Throughout his path-breaking and progressive career, his unified focus had been...

"TO MAKE EVERY MAN A SUCCESS AND NO MAN A FAILURE."

Dr. K.C.G. VERGHESE,
our beloved Chairman
Hindustan Group of Institutions

MESSAGE

I am pleased to learn that Hindustan College of Arts & Science, Kelambakkam, Chennai, is celebrating the Silver Jubilee of its establishment this year and that a special Magazine is being released to mark the occasion. I congratulate the Management of the College and wish the celebrations the very best.

It is gratifying to note that Hindustan College of Arts & Science has achieved great feats throughout its history from 1995. I wish that the college will carry forward the vision of the Founder Chairman and Philanthropist Dr. K C G Verghese, "*To Make Everyman A Success And No Man A Failure.*" The college is offering the best education possible and nurturing young minds with a broad spectrum of knowledge. I appreciate the commitment of the institution to providing quality education in the region and hope that it continues to grow from strength to strength.

I extend my best wishes and greetings to the Management, Staff and the Students of Hindustan College of Arts & Science on the occasion of the Silver Jubilee celebrations. May they be greeted with success in all their endeavours in the future.

(BANWARILAL PUROHIT)

Chennai,
25th January, 2020

Dr. Mrs. Elizabeth Verghese

Chairperson, Hindustan Group of Institutions

It's my pleasure to congratulate Hindustan College of Arts & Science, on celebrating the Silver Jubilee year. It is said that it only takes a spark to start a fire. This is true, as this institution, which was started as a little spark two decades ago, has now revolutionized the field of education in Chennai. Education is the best way to nurture young people to bring out the best in them. I am glad that the College has been a trendsetter in giving useful, selfless and dedicated service to the Society, with the Almighty's protection, the good faith of the public and sincere efforts of all the teaching, non- teaching and students fraternity, I am sure the College will continue to reach greater heights in the years to come.

Dr. Anand Jacob Verghese

Director & CEO, HGI

Academic excellence is at the center of everything we do at the Hindustan Group of Institutions. Success is not measured merely by educational qualifications, but is defined by intellectual, emotional and social growth and ethical development. Hindustan College of Arts & Science has grown phenomenally since its inception in 1995 to become one of the most sought after educational institutions in Chennai.

The last 25 years has been a long and arduous climb but the view from the top is worth it. Our goal has been to provide students with the finest education and create an environment that upholds their aspirations. HCAS is always a step ahead in providing an opportunity for the students to learn and lead which in turn builds a stronger nation. I am immensely proud of the achievements of the staff and students of HCAS. I congratulate the College for its 'pursuit of excellence' in teaching and research and wish that it continues to reach greater heights of success in the years to come.

Dr. Aby Sam

Director, HGI

Greetings from Hindustan Group of Institutions!

From a humble beginning in 1995, Hindustan College of Arts and Science has established its footprint today, not only in its Academic Excellence but also in extending services to the needy and economically challenged living in the surrounding villages.

The starting of Hindustan Community College for giving skill training to school dropouts enabling them to gain a meaningful life skill and employment, financial assistance provided to build additional facilities in the nearby schools, free admission to economically backward students etc. show cases the commitment of Management, Faculty and the Students of the Institution to the societal needs. This undeniable commitment and dedication of the institution is worth mentioning in this 25th Silver Jubilee year apart from the academic excellence maintained since its inception.

Aspiring to become a better person must be the greatest motto of a student. It is equally important for teachers to put their tireless efforts in the right direction to mould the young generation to become responsible citizens. I am glad that both teachers and students of HCAS understand the real purpose of education and are marching towards our Founder Chairman's motto 'To make every man a success, no man a failure'. I congratulate the Principal, Staff and Students on this auspicious occasion. Wish you all successful years ahead.

Dr. Susan Marthandan

Director, HCAS

The College has the great vision of providing the best education to our society especially, the marginalized. The College has steadily been growing and this Silver Jubilee year has given a platform for events like International Film Festival, International Conferences and the Mega Alumni Meet.

I am glad that the College is marching towards the fulfillment of the great vision of our Founder Chairman, Dr. K C G Verghese, "To Make Everyman a Success and No Man a Failure." "Every Institution is the length and shadow of a single man," said Emerson. In the past 25 years of the growth of Hindustan College of Arts & Science, we have grown from strength to strength and it has been immensely gratifying. We have become a huge banyan tree well respected under Madras University, creating employable, well skilled graduates and having creditable placement records. On this momentous occasion, I wish HCAS, all its staff and students, great success in all their future endeavors.

Mr. Ashok Verghese

Director, HGI

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today." Hindustan College of Arts & Science (HCAS) goes by this motto and thus is highly successful in imparting education to students; especially ones coming from underprivileged sections of the society.

HCAS along with Hindustan Community College has been victorious in providing the atmosphere that is conducive, creative and productive both in education and extra-curricular experience. Throughout these 25 years, since the foundation was first laid, Hindustan College of Arts & Science has steadily grown to its present prestigious status. Over the years, this institution has implemented a global outlook making its students competent, skillful and always willing to take up challenges. HCAS has moulded students as individuals with probity and caliber. I feel ecstatic to be a part of this exuberant experience and wish the best for many years of excellence.

Dr. P. Duraisamy

Vice-Chancellor, University of Madras

I am glad to wish Hindustan College of Arts & Science for the completion of 25 years and congratulate for all the success that the College has achieved in the course of time. The tremendous growth of the College is worth mentioning as it has made great strides in the past twenty five years in academic, research and out-reach programmes. The institution is not only the center of excellence in education but also the centre of charity to the underprivileged students of the surrounding area.

I am happy to know that the College consists of more than 100 staff members with qualification approval as an Assistant Professor and become one of the ten colleges which accomplished this prestigious status. With the achievements and accomplishments to its credit, the College is poised to celebrate its Silver Jubilee in a grand scale. I'm very proud of this institution and always look forward to greatness from you all. I extend my regards to all the Management, Staff and students and wish them good luck for their future endeavours

Prof. Dr. Kuncheria P Isaac

Vice-Chancellor, HITS-Deemed to be University

The Silver Jubilee of an institution is an important milestone that gives an opportunity to reminisce the journey right from the inception to the present with a silver lining. This is an opportune moment to record the multitude of achievements achieved and the glory attained by this institution. It is indeed a great joy and pleasure to pen a few words on the milestone of Silver Jubilee Celebration of Hindustan College of Arts & Science (HCAS).

The College has got a rich tradition and legacy and fulfills the vision of its Founder, Chairman, Dr. K C G Verghese, "To make everyman a success and no man a failure". HCAS boasts of a plethora of courses that caters to many disciplines and the focus is on the holistic development of students. Research also finds a prominent place in this educational institution since the knowledge generated by research is the basis for progress and economic development.

HCAS believes in nurturing students in a holistic manner and ensures that students excel in academics and co-curricular activities. At this juncture, I am happy that the College is redefining education in terms of emerging its students as citizens with moral, ethical and social values so as to fulfill their obligations to the society and nation. I am glad to be a part of the legacy and I extend my congratulations, felicitations and good wishes to all the HCAS fraternity who have strived relentlessly to attain this epic landmark. May you grow from strength to strength and revolutionize the educational arena and become an elite and model institution.

Mr. A. John Louis

District Collector - Chengalpattu

I would like to appreciate Hindustan College of Arts & Science which has completed 25 years of academic excellence. Brilliant minds have been brought out by this institution for the services of the society. The College provides for a holistic development to the students and helps the students to imbibe qualities like perseverance, determination and humility, which are essential for their personal development which in turn will help for the development of the society they live.

The campus is green and helps in the preservation of ecology making it a perfect place for joyful study. I'm very happy and proud of this institution and hope that it will continue this legacy for the years to come. I record my appreciation for the Directors, Teachers, Students and all the staff who are responsible for this triumph of 25 years achievement in the field of Education. I hope and I'm certain that the future will witness glorious brilliant and responsible citizens from this College. I congratulate the Management on the occasion of this Silver Jubilee Celebrations.

Dr. C. Jothi Venkateswaran

Director of Collegiate Education

It's a great pleasure for me to congratulate Hindustan College of Arts & Science (HCAS) for the success they have achieved over the past 25 years, an endless strive towards excellence. This milestone offers a wonderful opportunity to reflect upon the history of HCAS and the important contributions it has made for the academic development of students.

I am certain that Hindustan College of Arts & Science will definitely continue its vocation of preparing students to engage successfully with the world for many years to come. It is a proud moment and the college has come a long way since 1995 and worked hard to build a concrete environment to nurture passionate learners and gracious citizens. HCAS has glorified itself and with its students and staff and all the members who put in their effort to reach this milestone. I wish you every success in your future accomplishments.

Dr. V.J. Philip

Deputy Director (Academics)

I congratulate Hindustan College of Arts & Science on celebrating the success of 25 years of journey in the field of education. It's a great pleasure in being a part of this institution and in celebrating the Silver Jubilee Year. Our mission is to offer the best education possible and to develop young minds into an all round personality to meet the growing challenges of industries and the social needs of technology oriented global community.

I strongly believe that this is being carried on consistently and I feel proud to be associated with HCAS. HCAS provides the joy of learning by instilling in the minds of the young generation the spirit of teamwork, the thrill of creativity and the moments of accomplishments. I wish HCAS reaches many more mile stones of excellence and leadership.

Dr. S. Thirumagan

Principal, HCAS

"Education is the key to unlock the golden door of freedom." The institution strongly believes that education is a complete and wholesome experience and with that the College strives to create a better world. Throughout these 25 years, since the foundation was first laid, Hindustan College of Arts & Science has steadily grown to its present prestigious status.

Over the years, this institution has always been committed in providing the present and future students with the very best academic and extra-curricular experience. I am ecstatic to be a part of this exuberant experience and wish to give my best for the welfare of the institution.

Principals
since 1995...

Dr. S. Illanjiam, M.Sc, M.Phil, Ph.D.,
Dean, School of Sciences,

I joined this esteemed institution in 1997, and completed 23 years of service for the students' community. I have initiated several certification, diploma and add on courses, and organizing National and International level Conferences, Workshops and Symposia. Several environmental awareness programs based on environment aspects and medical aspects have been organized by me, and I thank the Management for their support, encouragement and motivation in all my efforts. I am holding several official positions, as Alumni Coordinator, NAAC Peer Team Member, Convener - Disciplinary Action Committee, etc. I initiated best practices in Solid Waste Management by producing vermicompost, and maintaining an organic garden in our College. I was the Academic Council Member of the University of Madras. I am a recipient of several awards, such as Best Administrator for excellence in higher education, by Pearl Foundation of India in the year 2016, the Saleem Ali award for Biological Science, from the Association of Self Financing Arts and Science Colleges of Tamil Nadu at Coimbatore in the year 2017. I was awarded the Bharat Rathna Dr. Abdul Kalam Gold Medal Award for individual achievement and National Economic Growth, by Global Economic Progress and Research Association, on 22nd October 2018, at Chennai. I take pride in mentioning that I helped in upgrading my School from just academics to research by starting M. Phil. and Ph. D. programs. I have been presently elected as a Member of the Sectional Committee of the Section of Animal, Veterinary and Fishery Sciences, for 2020 – 2021. I have guided several research projects for PG students in various areas of microbiology, and currently guiding Ph. D scholars. Recently I was invited as the science communicator speaker in the 107th Indian Science Congress Association held from 3rd to 7th January 2020, at Bangalore, organized by University of Agricultural Sciences.

Dr. K. Malarvizhi, M.Com.,MBA.,M.Phil.,B.Ed.,Ph.D.
Dean, School of Business Studies.

I thank the Management for giving me the opportunity to work in this esteemed Institution, since 2000 as Assistant Professor, in the School of Business Studies, which then, had only two branches at the Under Graduate program, with just 60 students. Over the period of 20 years, this department presently stands proud with 6 Under Graduate, 1 Post Graduate and 1 Research Programs, with 1600 students. Shortly, I foresee this department to becoming a full-fledged research department by starting Ph.D. program. I was the first Member of the Academic Staff Council, University of Madras, to represent this College. I served two cycles as the Coordinator of IQAC of this College, which provided me opportunities to learn and understand this college's documentation for the NAAC. I have been appointed as a Member of the University Affiliation Committee for the University of Madras, for the approval of starting of new courses in various affiliated colleges. I thank the Management for appointing me as Member of this Institution's Governing Body. As the Dean of the School of Business Studies, I organized two International Conferences in the years 2012 and 2019, and released books with two volumes each consisting of 260 papers and 150 papers respectively with ISBN. I presented about 50 papers at National and International Conferences and published 12 articles. I represented our College at the mega alumni meet held at Bhutan. Finally, I assure the Management of my continued, sincere and dedicated service, and will work with my full potential to take this College to greater heights in academic excellence.

Dept. of Social Work

The department of Social Work was established in 2010. This silver jubilee year is its tenth year. The department started with Post Graduation in Social Work and in 2017, the department launched Under Graduation too. The Social Work forum 'STEPS' was initiated in 2010. The department trains social workers and leaders to provide life-enhancing services and creates a more just and humane world.

UNIVERSITY RANKS

Training & Placements

Placement cell acts as a nodal point of contact for companies to identify future workforce from HCAS. Placement cell has been striving hard to place the students during their final year of study in reputed companies; this has resulted in students turning into employees right-out of their college life as their dreams come true.

Students make use of many On-Campus and Off-Campus interview opportunities offered from various companies. And the placement cell facilitates students to choose various internship opportunities to aid their curriculum and make them industry-ready. Placement cell has paved way for students to be placed in reputed MNCs in India and abroad since 1995.

Library

The Library of the Hindustan College of Arts & Science is well equipped with books and journals. Library was installed in 1995 with a collection of 2828 books. Presently, the collection has increased to 17119. E-resource center was started in 2010.

A National Level Seminar on 'Modernization of Public & Academic Libraries' was conducted in joint collaboration with Tamil Nadu Library Association in 2008. Rare Book Display was organized by Mr. Winston A Hendry on 23rd September 2015.

Reading Club in collaboration with department of English was inaugurated in 2016-2017. Additional Services in British Council Library, American Consulate Library and UGC INFLIBNET-N LIST Programme was done through Institutional Members. The College library is enrolled as local chapter in NPTEL (National Program on Technology Enhanced Learning a combined initiative of IIT's and MHRD).

NCC

National Cadet Corps of HCAS

National Service Scheme

National Service Scheme is a student – centered programme and it is complementary to education. It is a noble experiment in academic extension. It inculcates the spirit of voluntary work among students and teachers through sustained community interaction. It brings our academic institutions closer to the society. It is a link between the campus and community, the college and village, knowledge and action. The overall aim of NSS is the Personality Development of students through community service. It gives an extension dimension to Higher Education system and orients the student youth to community service.
